

NEW

PART NUMBERS:
PL-90861 (Black)
PL-90861-G (Grey)

The new Polylok 4ft. skinny trench / channel drain system offers many of the same features that our 4ft. heavy duty trench / channel drain system does but in a slim, compact design.

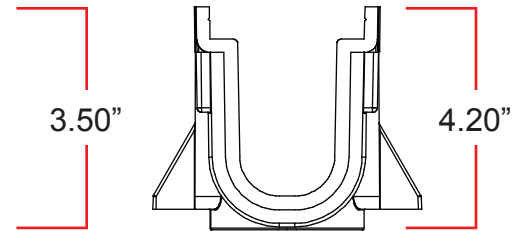

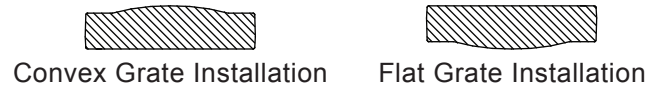

Optional Accessories:

- 90° Corner
- Closed End Cap
- Open End Cap

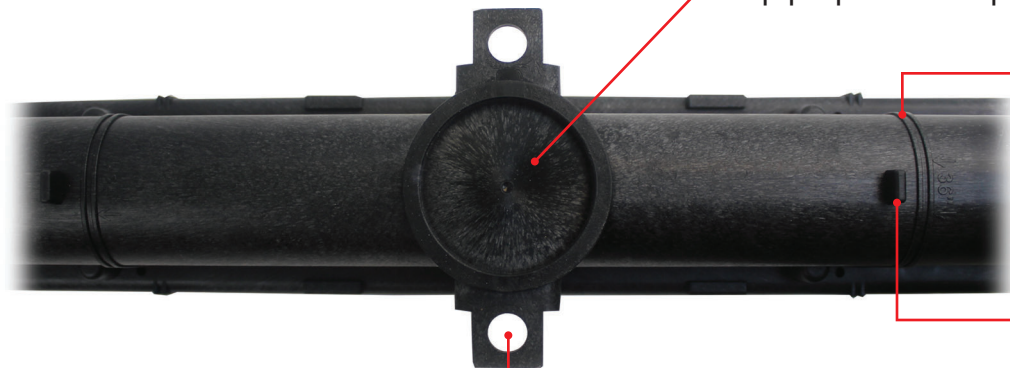

* Available in black & grey

Grates are ADA compliant and reversible from a flat side to a 1/8" convex side

BOTTOM VIEW

All pipe ports accept 2" SCH 40 pipe

Can be cut in 1ft. increments

Sections can be fastened together with the use of an interlocking tab and 2 face screws

Rebar holes simplify installations by providing 8 anchor locations to prevent "pullout"
